RESPONSE

Dear Sir:

In response to the Office Action of August 30, 2002, Applicants request reconsideration of the above-identified application and amend the application, as follows:

In the Claims:

Please add the following new claims:

SAC 16. (New) A method of offering a plurality of interrelated products through a plurality of interrelated websites, the method comprising:

establishing a first website having a first website domain name, the first website domain name including a common name portion and a first product name portion, the first product name portion identifying a first product of the plurality of interrelated products offered for sale via the first website, the first website accessible via an electronic communications network;

establishing a second website having a second website domain name, the second website domain name including the common name portion and a second product name portion, the second product name portion identifying a second product of the plurality of interrelated products offered for sale via the second website wherein the second product is related to the first product, the second website separately accessible via the electronic communications network; and

creating a website direct link between the first website and the second website, such that a user visiting the first website can move to the second website by selecting the direct link.
